## THE « HUMAN RIGHTS, SEXUAL ORIENTATION AND GENDER IDENTITY » FUND

Terms of reference

3rd call for proposals

August 2018

## **1. PRESENTATION**

The *Human Rights, Sexual Orientation and Gender Identity Fund* (also known as “the *International LGBTI Fund*”) was set up during the World Congress on Human Rights, Sexual Orientation and Gender Identity held in Paris in May 2009. Launched by France and the Netherlands, the Fund was then joined by Norway in 2010 and by the Randstad Foundation in 2013, as the first private donor. The operational and financial management of the Fund is entrusted to *Expertise France*.

The Fund is overseen by a Steering Committee reflecting a variety of stakeholders working to promote the rights of lesbian, gay, bisexual, trans and intersex (LGBTI) persons. The Steering Committee is composed of both donors and civil society organisations (namely the International Lesbian, Gay, Bisexual, Trans and Intersex Association – ILGA, the International Day Against Homophobia – IDAHO, the International Federation for Human Rights – FIDH, Amnesty International France and the French Consultative Commission for Human Rights). In 2012, UNESCO, the French Inter-LGBT network and the Norwegian *Landsforeningen for lesbiske, homofile, bifile og transpersoner* (LLH) were welcomed to the Steering Committee as observer members.

The Fund’s steering committee reaches decisions through consensus. All members have an equal say in the fund’s policies, strategies and selection processes.

## **2. OVERALL OBJECTIVE**

The overall objective of the Fund is to promote the full enjoyment of all human rights for persons who experience discrimination on ground of their sexual orientation, gender identity, gender expression or sexual characteristics, in areas where they are most at risk.

Since its creation, seven projects have been funded in Africa, Asia and the Caribbean. Each project received a grant of 50 000 to 60 000 €.

## **3. OBJECTIVES FOR THE CALL FOR PROPOSALS – DURATION OF ACTIONS**

The specific objectives of this new call for proposals are to document human rights violations targeting LGBTI persons, to improve the respect of their rights and to contribute to building capacities of organizations defending the rights of LGBTI persons. Special attention will also be paid to LGBTI rights defenders.

Funding for each grant will range between 50 000 – 60 000€ maximum and will represent up to 100% of the project’s budget over a period of 12 to 24 months.
