REPORT

TEATROSKOP

2018

Initiated in 2011 by the French institute in Paris, the French Ministry of Culture and the French Ministry of European and Foreign Affairs, TEATROSKOP is program designed to boost the cooperation between France and South-East Europe in the field of performing arts in its most contemporary and audacious forms..

The program supports reinforcement of professional networks through encouraging the diffusion and project-sharing, enabling professional encounters and stimulating cooperation between the regional actors and the French scene.

Introduction

Goals

The program activities are structured around 4 main objectives:

- To develop, coordinate and strengthen a network of Southeast European professionals cooperating with their French peers
 - Facilitate the presence and visibility of the French performances and France-based artists, in order to enable the professional encounters and establishment of comprehensive relations
 - Encourage cooperation, coproductions and exchanges between France-based professionals and their peers from South East Europe
 - Strengthen the capacities of the professionals and artists in the South East Europe
